JANUARY 2026

## PRINCIPAL'S NOTE

Dear Parents,  
Welcome to the spring semester! Our students performed very well on their mid-year assessments, and we invite you to meet with teachers to discuss your child's progress. There will be no school for students on Monday, January 19 (MLK Jr. Day); teachers will hold conferences that day. Please sign up via [Brightwheel](#).

We appreciate your continued support as we work together to foster your child's academic, social, and language growth. Warm regards,  
Jade Rush
